- hello@toufikforyou.dev
- Parulkandi, Kazipur, Sirajganj 6710

## About Me

I'm a passionate developer with 5+ years of experience in building mobile applications and RESTful APIs. I specialize in creating efficient, scalable, and user-friendly solutions that solve real-world problems.

## Skills

- Project Management
- Mobile Application Dev.
- Project System Design
- Digital marketing
- Critical Thinking
- Leadership

## Education

- Bachelor of Science (CSE)**  
*Uttara University* 2023 - 2027 (Expected)  
Currently pursuing a Bachelor's degree in Software Engineering. Focused on software development, web technologies, databases, and modern programming practices. Actively working on academic and personal projects.
- Higher Secondary Certificate (Science)**  
*Dhunat Government College* 2020 - 2022  
Completed Higher Secondary Certificate (HSC) in the Science stream with a strong foundation in Physics, Chemistry, Mathematics, and Information & Communication Technology (ICT), developing analytical thinking and problem-solving skills.

## Experience

- Founder & CEO**  
*Falahon Technology* 2024 - Present  
Founded and leading Falahon Technology. Responsible for overall business strategy, product development, and technical direction. Managing projects, guiding the team, and delivering software solutions for clients while growing the company.
- Software Engineer (Junior)**  
*SOPNO LIKHI* 2020 - Present  
Working as a Software Engineer, contributing to real-world projects and collaborating with team members on development tasks. Gaining hands-on experience in application development, problem solving, and modern software engineering workflows.
- Freelance Web Developer**  
*Self-Employed* 2018- 2021  
Designed and developed websites and web applications for clients. Worked with modern web technologies, handled deployments, and delivered customized solutions based on client requirements.
